BOOK PHILOSOPHY · PRINTABLE MAP

The AI YouTube Workflow Map

The same fourteen steps for every video you'll ever make. Keep this page beside your screen and check each step off as you go.

#	Step	What happens	Chapters	Done
1	**Idea**	Choose a topic that fits your one-sentence channel promise	2, 4	☐
2	**Research**	Find what viewers are asking and what other videos miss	2, 4, 11	☐
3	**Script**	AI drafts; you shape the hook, sections, and call to action	4, 5, 7	☐
4	**Voice**	Generate natural narration and fix pacing and pronunciation	6	☐
5	**Visuals**	Create images and clips that match each section	8	☐
6	**Assemble**	Combine narration, visuals, music, and captions	9	☐
7	**Edit**	Tighten pacing, fix errors, check every second	9	☐
8	**Thumbnail**	Design the image that earns the click	10, 11	☐
9	**Publish**	Upload with a clear title, description, and playlist	5, 10	☐
10	**Optimize**	Make the video easy to find in search	11	☐
11	**Promote**	Share through your website and your Shorts	12, 16	☐
12	**Monetize**	Qualify for and earn YouTube ad revenue	17, 18	☐
13	**Measure**	Review your analytics weekly and monthly	20	☐
14	**Repeat**	Pick one improvement and make the next video	13–15, 20	☐

AI drafts, generates, and suggests. You review, choose, and approve.

Every tool in this book is introduced at the step where you'll need it, so the map stays useful even after today's tools are replaced by tomorrow's.
